

# „BAD BOYS“ PINK AS A PANTHER

---

TEXT: Pink As A Panther  
MUSIC: Pink as a Panther  
Taken from the Debutalbum *Pink As A Panther*  
2009

I've just been rolling in the other day,  
with my boys I've been away.

I can still hear the engines roaring.  
I'll stay in this town till the break of dawnin'.

**Bad boys don't stick around,  
bad boys we're back in town.**

So write my name on the biggest wall in your town,  
cos one fine day I'll come rolling around.

One fine day and it wont be long,  
you bing the shades cos I bring the sun.

**Bad boys don't stick around,  
bad boys we're back in town.**

All women, come stick with me  
and i'll show u how good a bad boy can be.  
All women, come stick with me  
and i'll show u how good a bad boy can be.  
Allright?

**Bad boys don't stick around,  
bad boys we're back in town.  
Bad boys we are back,  
bad boys we're back in town.**
